RESPONSE TO OFFICE ACTION DATED FEBRUARY 17, 2005

Dear Sir:

This is a Response to the Office Action dated February 17, 2005 (hereafter "the Office Action"). Claims 1-40 are in the case. The Office Action objected to the specification because serial numbers for related applications were missing. Applicants have amended the specification accordingly. The Office Action further objected to claims 6, 17, and 28 for reciting "a origin device" because "a origin device" is also recited in parent claims 1, 12, and 23. Applicants have amended claims 6, 17, and 28 to recite "said origin device" accordingly. Applicants acknowledge with thanks the telephone conference with Examiner Rivero on March 21, 2005. In accordance with that telephone conference, Applicants present the following amendment and remarks demonstrating that the case is in condition for allowance.

AUS920010820US1

PATENTABLE SUBJECT MATTER

Applicants acknowledge with gratitude the Examiner's advice in the Office Action that there is patentable subject matter in the claims of the present application.
